Central Modoc Resource Conservation District
APPLICATION FOR TECHNICAL ASSISTANCE

APPLICATION

This information is the starting point for a cooperating agreement between landowner(s) and the Central Modoc Resource Conservation District (CMRCD). To discuss this application, please arrange a time on the agenda of an upcoming meeting of the Board of Directors of the CMRCD. Applications cannot move forward before this step is taken. Handwritten applications are fine, but please make sure they are legible. Use an extra sheet of paper if you need to.

CMRCD staff are available to help with any part of this application. Just ask!

1. Name:

2. Address:

3. Location of landholding: Assessors Parcel Number:____--____--____
Township_____ Range_____ Section_____

4. Attach a map showing the location of the proposed project area.

5. Are any outstanding legal actions or environmental mitigation requirements currently in force on this land? (The RCD can assist you with developing compliance plans that may have resulted from enforcement actions, but cannot use most grant fund sources to implement required compliance measures.)

6. Current Conservation and Management Goals: Please briefly describe the conservation goals you have for your property. Include short-term and long-term goals.

7. What do you see as you current conservation problems? Please briefly describe the conservation problems that you think RCD assistance can help you solve.

8. What conservation plans, easements or management contracts are currently in place for the affected land?

____ NRCS Conservation Plan
____ U.S. Fish and Wildlife Service (such as "Partners for Fish and Wildlife" or other USFW plan or easement contract)
____ California Rangeland Water Quality Management Plan developed with University of California Farm Advisors
____ California Department of Fish and Game easement or agreement
____ California Rangeland trust easement
____Other: Please specify
